Martin – Paula indicated that she would send the team her first draft this morning, so I assumed she was going to work from home a bit this morning.

Given that Paula is out today does it make sense for you/someone else to take a first crack at this?

Suzanne – can your staff put together a summary of the results of yesterday’s meeting with an analysis of where we are with CDPHE and BLM and whether we are ready to go with a Plan B depending on a SGC response? I think Shaun wants to see that we are aligned before we send the letter, so the sooner the better.

Martin,

How did the meeting go today? Where did the conversation on Plan B end up?

Shaun/Joan – should I have staff go over these edits with BLM and CDPHE? They have a meeting today to discuss get to consensus on Plan B and we could offer these revisions at this meeting if you are comfortable with the edits.

Shaun, Joan and Martin –

Attached are my suggested comments on the Sunnyside Upper Animas joint letter. I've attached a tracked changes version and a clean copy. I'll be checking email this weekend, and will be happy to answer any questions or address any concerns with my edits.

Thanks,

Suzanne
